

CAREER DEVELOPMENT WORKSHOP FOR WOMEN

This one day pre-conference workshop covers strategies and practical skills to help early career scientists plan and manage successful careers in science. This workshop is designed for early career PhD students but is open to all. Likewise, it is designed to focus on issues that may be more relevant to women, but is open to all students/postdocs.

Note: Registrants for the workshop do not have to be attending the conference.

Registration \$90; includes morning and afternoon tea, and lunch. Email nerida.wilson@museum.wa.gov.au for payment details.

Numbers are restricted to ensure extensive participation opportunities. The workshop will be held at the University of Queensland, Saturday 30th November.

Topics covered:

- Career management and strategies
- Abstract writing
- Communication styles
- Networking and building relationships
- Communicating your science
- Grant writing
- Mental toughness, resilience & ethics
- Work-life balance- successful scientists' stories
